## Kata Pengantar

Puji Syukur kehadirat Allah SWT, karena atas limpahan rahmat-Nya, kami dapat melaksanakan salah satu tugas dan fungsi Direktorat Sekolah Menengah Pertama (SMP) yang tertuang dalam Peraturan Menteri Pendidikan dan Kebudayaan Republik Indonesia Nomor: 9 Tahun 2020, tentang Perubahan atas Peraturan Menteri Pendidikan dan Kebudayaan Nomor: 45 Tahun 2019, tentang Organisasi dan Tata Kerja Kementerian Pendidikan dan Kebudayaan, antara lain “pelaksanaan kebijakan penjaminan mutu di bidang penilaian pada sekolah menengah pertama” dan “fasilitasi penyelenggaraan di bidang penilaian pada sekolah menengah pertama”.

Sejalan dengan pelaksanaan tugas dan fungsi tersebut serta beberapa kebijakan dan regulasi terkait lainnya, khususnya kebijakan dan regulasi yang terkait dengan pelaksanaan pendidikan pada masa pandemi Covid-19, kami telah berhasil menyusun sejumlah modul dari sembilan mata pelajaran, yang disesuaikan dengan kebijakan kurikulum kondisi khusus dan pelaksanaan Pembelajaran Jarak Jauh (PJJ) pada masa pandemi Covid-19 untuk jenjang Sekolah Menengah Pertama (SMP). Selain itu, telah dihasilkan pula buku Pedoman Pengelolaan Pembelajaran Jarak Jauh jenjang SMP pada masa pandemi Covid-19. Penyiapan dokumen-dokumen tersebut dilakukan dalam rangka mendukung pelaksanaan kebijakan penjaminan mutu dan pemberian fasilitasi penyelenggaraan pendidikan, khususnya untuk jenjang SMP pada masa pandemi Covid-19 ini.

Besar harapan kami, agar dokumen-dokumen yang telah dihasilkan oleh Direktorat SMP bersama tim penulis yang berasal dari unsur akademisi dan praktisi pendidikan tersebut, dapat dimanfaatkan secara optimal oleh semua pihak terkait, baik dari unsur dinas pendidikan kabupaten/kota, para pendidik, dan tenaga kependidikan, sehingga pada akhirnya dapat menjadi bagian alternatif yang dapat membantu sekolah dalam penyelenggaraan pendidikan.

Kami menyadari bahwa dokumen yang dihasilkan ini masih terdapat banyak kekurangan. Oleh karena itu, kami sangat mengharapkan kritik dan saran dari berbagai pihak, untuk perbaikan dan penyempurnaan lebih lanjut.

Kami menyampaikan ucapan terima kasih dan penghargaan yang setinggi-tingginya atas peran serta aktif dari berbagai pihak dalam penyusunan semua dokumen yang dikeluarkan oleh Direktorat SMP tahun 2020 ini. Secara khusus diucapkan terima kasih dan penghargaan kepada tim penyusun yang telah bekerja keras dalam menuntaskan penyusunan dokumen-dokumen tersebut.

Hi. I'm Irna, a student of grade eight now. I study at SMP Negeri 1 Manokwari. I love my school, teacher and classmates though at first I didn't. When I entered this school for the first time, I felt shy and unhappy. Well, I was actually glad to study at this school as it was one of the best schools in town. I was curious about my new school, of course, but I was just worried about everything. I thought my teachers would be very scary. I was also worried about my friends who would bully me and make me sad and angry. I was so upset that I could not understand the lesson. However, now after a year and a half I find everything run well. I feel very embarrassed and silly because it's not as I thought. I am surprised that I have a lot of friends. Besides, my teachers are also friendly and helpful. The lesson is sometimes difficult but I can manage it. I'm a happy student now.

I always love beaches. When my father decided to go to the beach last weekend, I agreed at once. I brought everything I needed at the beach like a swimming suit, towel, sunglasses, a pocket camera and hat.

Arriving at the Anyer beach on Saturday afternoon, I rushed to the beach to catch the sunset. Watching the red sky in the horizon and looking at the sun go down slowly was amazing. The hotel for us to stay was small but clean. The hotel staff were wonderful. They were so friendly. The most important thing is its location. It was near the beach.

Early in the morning, I walked along the beach and found a beautiful place to sit. I enjoyed the sunrise while lying on the sand. My mom brought my breakfast. A moment later, I decided to learn surfing. I borrowed a surfing board. I found that surfing was not easy at all. I fell many times, but it was fun. I played and **swam** in the water all day. I loved every minute of my holiday there. The whole relaxing atmosphere was fabulous and it was a real change from my usual busy life.

In the afternoon we came back home. I felt fresh and ready to do my daily activities.

### Activity 4

“What is the best moment of your life?” my friend asks me. I remember something. About one and half year ago I felt very happy. I couldn’t help crying and my mom couldn’t, either. Both of us cried in happiness.

When I was in the fourth grade I dreamed of studying at SMPN 1 Samarinda. My cousin studied there. So, I wanted to study at her school to meet her more often. However, my mom told me that it was not easy to study there as many people wanted to study there, too. There was a selection test and the test was not easy at all. So, I studied hard all day and night before I took the test.

A week after the test, the day came. I remembered the moment when my mother told me cheerfully saying that I passed the test. It meant I could study at my favorite school. It is the best moment in my life.

### Activity 9

Pay attention to the explanation about regular and irregular verbs.

*Perhatikan penjelasan terkait kata kerja beraturan dan tidak beraturan.*

In, English, there are two kinds of past verbs: **regular verbs** and **irregular verbs**.

There are 5 basic rules to form the regular verbs:

No	Rules	Examples
1	Regular past simple tense is formed by adding -ed to the verb.	listened, called, started, washed
2	If a verb ends in -e, just add -d.	liked, agreed, typed, baked
3	If a verb ends in consonant and -y, take off the y and add -ied.	carried, tried, fried, cried
4	If a verb ends in a vowel and -y, just add -ed.	enjoyed, prayed, played, delayed
5	Some verbs that end in a short vowel and a consonant, the consonant is usually doubled before adding -ed.	hopped, planned, begged, stopped

In contrast, the past verbs of irregular verbs can end in a variety of ways, with no consistent pattern. Here are the examples taken from the previous text.

Present Verbs	Past Verbs
is	was
wake up	woke up
take	took
run	ran
see	saw
come	came

Please write down the regular verbs from the previous text.

### Activity 10

#### Past Tense Pronunciation for Regular Verbs (-ed)

If the verb base ends in a voiced sound, then the –ed ending sounds like “d”.  The “d” is blended together with the previous consonant and not pronounced as an extra syllable.	If the verb base ends in a “t” or “d” sound already, then the –ed ending sounds like “id” or “ud”.  It is pronounced as an extra syllable.
Voiceless consonant sounds:  <i>p, f, k, s, sh, ch, th</i>	A voiced sound means that your vocal chords vibrate.  Voiced consonant sounds:  <i>b, v, g, z, j, th, l, m, n, r</i>  All vowel sounds are voiced.

Bacalah teks berikut bersama temanmu! Kosakata sebelumnya dapat membantu Ananda untuk memahami teks berikut. Setelah itu, jawablah pertanyaan-pertanyaan berikut!

Two months ago, our class made a small party at a tourist resort in the mountainous area not far away.

We rented a villa for a couple of days. Some friends and the teachers took a bus to go to there. Some others went there by car with their parents. One of my friends and I decided to ride my motorcycle. We thought it was faster and more fun. Actually our parents didn't give us the permission as we didn't have a driving license. However, we promised that we would pass smaller roads. We also told them that the place was not too far.

We left early in the morning and I rode the motorcycle slowly. We enjoyed the riding. A few moments later, my friend said that he wanted to take over riding the motorcycle as I was too slow. I felt uncomfortable but I couldn't do anything. I let my friends ride the motorcycle. He rode it fast. I was afraid actually so I warned him not to move too fast. He just laughed and said that I was a coward. A few moments later, there was another motorcycle moving faster beside us. My friend increased the speed of our

motorcycle to chase it but he lost his control. Our motorcycle crashed. Both of us fell on the road. Thank God there was nothing serious happening to us. We just got bruises in some parts of our body.

My friend said sorry to me many times. I could see that he regretted with what happened. I was happy that the accident really taught my friend to be careful next time.

Have you experienced a horrible moment in your life? Well, I just remember an unforgettable moment - a horrible moment. Let me tell you about it. It began when my school held an outing trip in the country side a few years ago. Leaving early in the morning, we arrived at the site at about 10 am. It was still in the morning so we had time to enjoy the surrounding before the outbound activity the following day. The hotel for us to stay was beautiful. It was located in a place not far from the forest. I saw that the cone trees not far away. I usually painted them silver and used them to decorate my room. So, I decided to take some cone pines. I walked to the trees and took some cones. I saw that there were more cones in the deep of the forest. I walked and walked not realizing that I was just far away from the hotel. Suddenly, I heard a roar of a lion. Oh my God. I panicked. My heart was beating so fast. It was impossible for me to run or scream. I almost didn't know what to do. I heard the roar get closer. Spontaneously, I climbed on a tree nearby. I didn't know that I got the power to climb a tree up to the peak. I gripped the branch of the tree tightly. I stayed still when I saw a lion under the tree. I tried hard to

hold my breath. I didn't want the lion to hear my breath. After a thrilling moment, slowly the lion walked away from that place. Can you imagine how relieved I was? When I thought that the lion had disappeared completely, I got down of the tree and ran away to the hotel as fast as I could. At the hotel I couldn't help crying and telling what had happened at the forest to my friends. All my friends were shocked. They took some water for me to drink and tried to calm me down. The teachers came and asked what happened. After knowing what happened, they advised us to stay away from the forest. We were not allowed go to the forest without the teachers. That was my story. Don't you think it was horrible story? What was your horrible story?

### Activity 7

#### A School Trip

My school organized a trip to a countryside. We planned to stay at the hotel and had an out-bond activity the following day. All students of grade 8 had to join the activity.

We all gathered in the school yard at 09.00. We left for the hotel at 10 o' clock in two different buses. We all enjoyed our trip. It took about 3 hours to reach the hotel. At the hotel we had lunch and took a rest.

The hotel was situated near a mountain so there was a forest nearby. I suddenly saw some pine trees loaded with pinecones at a distance. I was tempted to collect some of them. So, I took my sweater and a knife. I quickly went into the forest. I found one or two lying on the ground. I hoped to find more pinecones so I kept on going deep into the forest.

But then suddenly, I heard the roar of a lion. I ran at full speed at the opposite direction into the forest. Exhausted and very scared, I climbed up a tall tree. I sat on the top of the branches. When I looked down, I saw a giant lion walking slowly toward my tree. I held my breath. My hands gripped the tree firmly. I prayed for the lion to go away from that place. Fortunately, the lion didn't stop at the tree. He just passed by. I waited until he disappeared. I waited for about fifteen minutes before I finally decided to go down from the tree.

When I stepped on the earth, I felt my body trembling. I ran away to the hotel as fast as I could. I told all my friends and the teachers what had happened. My teachers warned us not to go to the forest alone. That was really a horrible experience.

## Let's Check

When I was in the elementary school, I had a very regretful experience. It happened when I graduated from junior high school. I was very happy that day because I just graduated with very good grades. After the graduation day, I went to my grandfather's house. My grandfather had promised to give me a present if I got good scores. I hoped that my grandfather would give me a motorcycle. My grandfather ever said that before. Arriving at my grandfather's house, I directly went to his room. My grandfather was in his bed as he couldn't walk anymore because of his illness. With his weak voice he said how proud he was to have such a smart grandson like me. And he gave me a present for my good grades. My grandfather handed me a book. I was very disappointed that my grandfather only gave me a book. I took the book and said nothing. Even I didn't say thank you. I left the room and put the book on the table in the living room. I didn't look at the book. Then, I went back to my house. A few days later, my grandfather was badly ill. I had to go to his house soon. But when I arrived there my grandfather had already died. I found the book that his grandfather gave a few days before. I took it and opened it. And how shocked I was to find a motorcycle key in the middle of the book. It was the kind of motorcycle I dreamed of for a long time. I found there few words from my grandfather "with love to my grandson." I couldn't help crying. I regretted with what I did to my grandfather. I wanted to thank him, but it was too late. My grandfather had already died.

### Footbaall Competition

When I was in the elementary school, I joined three clubs. They were the football, pencak silat, and drawing clubs. I joined football and pencak silat clubs because I love sports. One day, my football club joined a football competition. There were twelve clubs joining the competition. At first, our club won the match. Then, we had to defeat one more club to get to the final. Luckily, we won. We were so impatient to play in the last game. It was the challenging one because our rival was very strong.

Finally, we won the game with a nice score of 4-2. We were so tired. However, we were happy and proud to be the winner of the competition.

Sample Answer

Last month, our school got an invitation to join a speech competition. Then, my teacher appointed me to join. I practiced everyday after school. My teacher gave me lots of trick and tips to win the competition. However, one day before the competition, I lost my voice. I was shocked, but my teacher suggested me to stay calm and take a rest.

On the day of competition, I did not talk at all in the morning. I saved my voice for the competition only. I practiced silently. My mother who accompanied me all day and night also asked me to drink lot of mineral water. It helped a lot because I could perform my best.

Two days after the competition, during the flag ceremony, my headmaster announced me as the winner of the speech contest. My friends congratulated me. At home, my parents said that they were very proud of and happy about me. I felt the same.

### Activity 6

#### Sample Answer

Last holiday my family and I went camping to the countryside. The day before, we prepared all of the things that we needed for camping. Early in the morning we left the house to the camping site. We went there by car. Arriving at the camping site, we looked for the location not far from the river. There have already been many campers there but fortunately we found a good site near the river not far from the other campers. My father set up the tent. We helped him. Not long after that, our tent had been set up. My mom prepared the food for lunch. We had a wonderful lunch. My sister and I looked for branches of tress for campfire tonight. At night we had a campfire. We talked and chatted with the other campers. We had a barbecue party. Some of us sang beautiful songs with their guitars. It was a wonderful night. In the morning my father and I went fishing in the river. We had some small fish but we were very happy. In the afternoon we set down the tent. We collected the rubbish and clean the surrounding before we went home. It was really a wonderful holiday. I love it so much.

Event 4 : played in Taman Legenda

Event 5 : slept at bus when going home

Before the pandemic, on November 2019, my classmates and I went to Taman Legenda, Taman Mini Indonesia Indah.

First, we gathered at school at 06.00 AM. After that, our teacher asked us to go to our bus. Then, in the bus we sang together and enjoyed the trip. When we arrived there at 10:00 AM, we played in Taman Legenda. It was really fun: we played roller coaster, swam together, and walked in Dinosaur Park. At 04.00 PM, it was time for us to go home. In the bus, we slept because we were tired.

I hope the pandemic will pass soon, so we can go for the field trip together with my classmates again.

## Listening Script

### Activity 2

#### A Horrible Singing Competition

I have got an unforgettable experience last year. It happened when my teacher asked me to represent our school at the English Singing Competition. I had to sing one traditional song. The time given was very limited. Almost a week I worked hard to practice.

The day of the competition came. There were about twenty participants in the special room in front of four judges. I got number eighteen so I had to wait for the other seventeen participants to perform. When my turn came, I was already very tired. Suddenly I felt very nervous. I forgot the lyrics and panicked. I forgot everything I had to sing. Then, my knees started shaking. My stomach was spun. The judges asked me if I was o.k. but I could not say anything. Then, I heard one of the judges asked me to come back to my seat. Hurriedly I ran away from the room to the toilet and vomiting.

The teacher chased me. She said I was very pale and I sweated a lot. The teacher took me to her car and brought me home. That was the worst experience I have ever had.

#### Remember Me (Reunion)

Lyrics from Coco

Written by Kristen Anderson-Lopez and Robert Lopez

Performed by Anthony Gonzalez and Ana Ofelia Murguía

Remember me, though I have to say goodbye

Remember me, don't let it make you cry

For even if I'm far away I hold you in my heart

I sing a secret song to you each night we are apart

Remember me, though I have to travel far

Remember me, each time you hear a sad guitar

Know that I'm with you the only way that I can be

Until you're in my arms again, remember me

Picture 8

Global sensation BTS surprised their fans on Friday by releasing a digital single “Dynamite”. The track is unprecedentedly recorded all in English – something they had never tried before since their debut seven years ago.

The band has recently been busy with their reality show “In the SOOP”. Here are the questions and members’ answers from the showcase.

#### Q. What is the meaning of “Dynamite”?

**Suga:** “Dynamite” is a bright, cheerful disco-pop and a message of confidence and happiness. It’s like after you fell on the ground, you’re trying to get back up again. That’s what this song is like.

**Jin:** It’s a song that BTS wants to say at this current moment.

#### Q. Why did you decide to record the song in English?

**V:** Considering the track’s melody and vibe, because it was so fun and cheerful, we thought it would be very fitting.

**J-Hope:** I absolutely, absolutely loved the track’s melody and vibe, and we wanted to share that with many people. We tried our best to deliver the good vibe that we got when first hearing the song, so we did our best to deliver that feeling.

**Q. This pandemic era has brought us a lot of obstacles, but during it all, music has united us together. Have your thoughts about music changed at all through this difficult time?**

**V:** Everyone, not just us, is having a hard time. The reason we are releasing a song that wasn't a part of our plan was because of this crisis. We sincerely hope "Dynamite" will deliver them the strength needed.

**RM:** The pandemic was unexpected and we keep saying this but we felt angry and didn't know what to do. Once some time has passed; however, we began to realize while the virus may have put a temporary stop in our activity, it gave us time and opportunity to think about our music and attempt something new and different.

Performed by BTS

'Cause, ah-ah, I'm in the stars tonight	Hey, so let's go
So watch me bring the fire	(chorus)
and set the night alight	'Cause, ah-ah, I'm in the stars tonight
	So watch me bring the fire

King Kong, kick the drum,	with a little funk and soul
rolling on like a rolling stone	So I'ma light it up like dynamite, whoa
Sing song when I'm walking home	
Jump up to the top, LeBron	Bring a friend, join the crowd
Ding dong, call me on my phone	Whoever wanna come along
Ice tea and a game of ping pong	Word up, talk the talk,
	just move like we off the wall
(pre-chorus)	Day or night the sky's alight
This is getting heavy	So we dance to the break of dawn
Can you hear the bass boom? I'm ready	Ladies and gentlemen, I got the
Life is sweet as honey	medicine,
Yeah, this beat cha ching like money	so you should keep ya eyes on the ball,
Disco overload,	huh

I'm diamond, you know I glow up	

(pre-chorus) Dy-na-na-na, na-na, na-na, eh  
(chorus) Dy-na-na-na, na-na, na-na, eh  
Light it up, dynamite

#### Gajah

Written and Performed by Tulus

- 1 Setidaknya punya tujuh puluh tahun  
Tak bisa melompat, kumahir berenang  
Bahagia melihat kawanannya betina  
Berkumpul bersama sampai ajal
  
- 5 Besar dan berani berperang sendiri  
Yang aku hindari hanya semut kecil  
Otak ini cerdas kurakit perangkat  
Wajahmu tak akan pernah kulupa
  
- 10 Waktu kecil dulu, mereka menertawakan  
Mereka panggilku gajah, ku marah ku marah  
Kini baru ku tahu, puji di dalam olokan  
Mereka ingatku marah  
Jabat tanganku panggil aku gajah

#### Everything at Once

Written and performed by Lenka

As sly as a fox, as strong as an ox  
As fast as a hare, as brave as a bear  
As free as a bird, as neat as a word  
As quiet as a mouse, as big as a house

All I wanna be, all I wanna be, oh  
All I wanna be is everything

As mean as a wolf, as sharp as a tooth  
As deep as a bite, as dark as the night  
As sweet as a song, as right as a wrong  
As long as a road, as ugly as a toad

As pretty as a picture hanging from a fixture  
Strong like a family, strong as I wanna be  
Bright as day, as light as play  
As hard as nails, as grand as a whale

All I wanna be oh, all I wanna be, oh

All I wanna be is everything

Everything at once

Everything at once, oh

Everything at once

As warm as the sun, as silly as fun

As cool as a tree, as scary as the sea

As hot as fire, cold as ice

Sweet as sugar and everything nice

As old as time, as straight as a line

As royal as a queen, as buzzed as a bee

As stealth as a tiger, smooth as a glider

Pure as a melody, pure as I wanna be

All I wanna be oh, all I wanna be, oh

All I wanna be is everything - Everything at once

### Activity 7

One of characteristics of an adjective: we can change it into comparative and superlative forms. Read the explanation below.

*Salah satu ciri dari sebuah kata sifat adalah kita dapat mengubahnya menjadi bentuk comparative atau superlative. Bacalah penjelasan berikut!*

## Comparative Adjectives

- used to compare differences between the two objects
- example: taller, bigger, more beautiful
- used in sentences where two nouns are compared
- example: Langit is taller than Ridwan.

## Superlative Adjectives

- used to describe an object which is at the upper or lower limit of a quality
- example: the biggest, the most beautiful
- used in sentences where a subject is compared to a group of objects
- example: The easiest subject is English.

## Forming Comparative and Superlative Adjectives

### One syllable adjectives

Add -er for the comparative and -est for the superlative.

If the adjective has a consonant + single vowel + consonant spelling, the final consonant must be doubled before adding the ending.

Examples:

Adjective	Comparative	Superlative
big	bigger than	the biggest
strong	stronger than	the strongest
warm	warmer than	the warmest

### Two syllables adjectives

Adjectives with two syllables can form the comparative either by adding *-er* or by preceding the adjective with *more*.

These adjectives form the superlative either by adding *-est* or by preceding the adjective with *most*.

For adjectives ending in *y*, change the *y* to an *i* before adding the ending.

Examples:

Adjective	Comparative	Superlative
handsome	more handsome than	the most handsome
beautiful	more beautiful than	the most beautiful
warm	warmer than	the warmest

### Irregular comparatives and superlatives

There is no pattern in these irregular comparative and superlative adjectives

Adjective	Comparative	Superlative
good	better than	the best
bad	worse than	the worst
little	less than	the least
much	more than	the most
far	further than/farther than	the furthest/the farthest

### Activity 8

Change the adjectives from “Everything at Once” song lyrics into comparative and superlative forms.

Ubahlah kata-kata sifat yang terdapat dalam lirik lagu “Everything at Once” ke dalam bentuk comparative dan superlative!

No	Adjective	Comparative	Superlative
1	big	bigger than	the biggest
2	brave	braver than	the bravest
3	bright		
4	cold		
5	cool		
6	dark		
7	deep		
8	fast		
9	free		
10	grand		
11	hard		
12	hot		
13	light		
14	long		
15	mean		
16	neat		
17	nice		

No	Adjective	Comparative	Superlative
18	old		
19	pretty		
20	pure		
21	quiet		
22	right		
23	royal <sup>*)</sup>	more royal than	the most royal
24	scary		
25	sharp		
26	silly		
27	sly		
28	smooth		
29	stealth		
30	straight		
31	strong		
32	sweet		
33	ugly		
34	warm		

\*) royal can be categorized as two syllables adjective, so we need to add “more … than” to make it comparative and “the most …” to make it superlative.

\*\*) buzzer also is an adjective, but not a common one, so it does not have the comparative and superlative form.

Performed by Christina Aguilera

Written by Storch Scott Spencer, Aguilera Christina

After all you put me through,

You think I'd despise you,

But in the end, I wanna thank you,

'Cause you've made me that much stronger

'Cause if it wasn't for all that you tried to do, I wouldn't know

Just how capable I am to pull through

So I wanna say thank you, 'Cause it

[Chorus:]

Makes me that much stronger

Makes me work a little bit harder

It makes me that much wiser

So, thanks for making me a fighter

Made me learn a little bit faster

Made my skin a little bit thicker

In the book Chicken Soup for the Soul: The Story Behind the Song, Aguilera revealed the occasion, theme and meaning of "Fighter". She talked about her "very chaotic and abusive" home, where she did not feel "safe". At school, Aguilera was picked on and alienated because of her musical passion. However, it made her become "smarter and stronger". To release herself, Aguilera started to write songs at the age of 15, both music and lyrics; and it was the way how she found her voice.

### Mama

Writer(s): Richard Stannard, Emma Bunton, Melanie Brown, Victoria Adams,  
Melanie Chisolm, Spice Girls, Matthew Rowe

Performed by Spice Girls

She used to be my only enemy and never let me be free

Catching me in places that I knew I shouldn't be

Every other day I crossed the line I didn't mean to be so bad

I never thought you would become the friend I never had

Back then I didn't know why

Why you were misunderstood mama

So now I see through your eyes

All that you did was love

Mama I love you

Mama I care

Mama I love you

Mama my friend

You're my friend

I didn't want to hear it then but I'm not ashamed to say it now

Every little thing you said and did was right for me

I had a lot of time to think about, about the way I used to be

Never had a sense of my responsibility

Back then I didn't know why

Why you were misunderstood

So now I see through your eyes

All that you did was love

Mama I love you

Mama I care...

### A Song For Mama

Performed by Boys II Men

Written by Babyface, Edmonds Kenneth B

You were there for me to love and care for me

When skies were grey

Whenever I was down

You were always there to comfort me

And no one else can be what you have been to me

You will always be

You will always be the girl in my life for all times

Mama, mama, you know I love you

Oh you know I love you

Mama, mama, you're the queen of my heart

Your love is like tears from the stars (Yes, it is)

Mama, I just want you to know

Lovin' you is like food to my soul

#### True Colors

Written by Billy Steinberg, Tom Kelly

Performed by Anna Kendrick with Justin Timberlake

(from "Trolls" soundtrack)

1

I see your true colors shining  
through, true colors  
I see your true colors  
And that's why I love you  
So don't be afraid to let them show  
Your true colors  
True colors are beautiful  
Like a rainbow  
Oh, like a rainbow

2

Show me a smile then  
Don't be unhappy  
Can't remember when  
I last saw you laughing  
This world makes you crazy  
And you've taken all you can bear  
Just call me up  
'Cause I will always be there

3

You with the sad eyes  
Don't be discouraged, oh, I realize  
It's hard to take courage  
In a world full of people  
You can lose sight of it all  
The darkness inside you  
Can make you feel so small

4

And I see your true colors shining  
through  
I see your true colors  
And that's why I love you  
So don't be afraid to let them show  
Your true colors  
True colors are beautiful

### You Have More Friends Than You Know

Written by Jeff Marx and Mervyn Warren

Performed by Glee Cast

We feel, we hear,

Your pain, your fear

But we're here,

To say, who you are, Is okay

And you don't have to go through this on your own

You're not alone

You have more friends than you know

Some who surround you

Some you are destined to meet

You'll have more love in your life

Don't let go, give it time

Take it slow

Those who love you the most, may need more time to grow

It's gonna be okay

You have more friends than you know

Be brave, be strong  
You are loved, you belong  
Someday soon, you will see  
You're exactly who you're supposed to be

Be who you are, learn to forgive  
It's not about who you love  
But how you live!

### That's What Friends Are For

Written by Clarence McDonald, Fritz Baskett, Deniece Williams, Lani Groves

Performed by Rod Stewart/ Dionne Warwick

And I never thought I'd feel this way

And as far as I'm concerned

I'm glad I got the chance to say

That I do believe, I love you

And if I should ever go away

Well, then close your eyes and try

To feel the way we do today

And then if you can remember

Keep smiling, keep shining

Knowing you can always count on me, for sure

That's what friends are for

For good times and bad times

I'll be on your side forever more

That's what friends are for

Well, you came and opened me  
And now there's so much more I see  
And so by the way I thank you

Oh and then for the times when we're apart  
Well, then close your eyes and know  
The words are coming from my heart  
And then if you can remember

#### **I Believe I Can Fly**

Written and Performed by R. Kelly

I used to think that I could not go on  
And life was nothing but an awful song  
But now I know the meaning of true love  
I'm leaning on the everlasting arms

If I can see it, then I can do it  
If I just believe it, there's nothing to it

I believe I can fly  
I believe I can touch the sky  
I think about it every night and day  
Spread my wings and fly away  
I believe I can soar  
I see me running through that open door  
I believe I can fly

## You've Got A Friend

Written and Performed by Carole King

When you're down and troubled,  
And you need some love and care,  
And nothing, nothing is going right  
Close your eyes and think of me,  
And soon I will be there  
To brighten up even your darkest night.

You just call out my name  
And you know wherever I am  
I'll come running to see you again  
Winter, spring, summer or fall  
All you have to do is call  
And I'll be there

### Tears In Heaven

Written and Performed by Eric Clapton

Would you know my name, if I saw you in heaven?

Would it be the same, if I saw you in heaven?

I must be strong and carry on

'Cause I know I don't belong, here in heaven

Would you hold my hand, if I saw you in heaven?

Would you help me stand, if I saw you in heaven?

I'll find my way through night and day

'Cause I know I just can't stay, here in heaven
