## Kata Pengantar

Puji Syukur kehadirat Allah SWT, karena atas limpahan rahmat-Nya, kami dapat melaksanakan salah satu tugas dan fungsi Direktorat Sekolah Menengah Pertama (SMP) yang tertuang dalam Peraturan Menteri Pendidikan dan Kebudayaan Republik Indonesia Nomor: 9 Tahun 2020, tentang Perubahan atas Peraturan Menteri Pendidikan dan Kebudayaan Nomor: 45 Tahun 2019, tentang Organisasi dan Tata Kerja Kementerian Pendidikan dan Kebudayaan, antara lain “pelaksanaan kebijakan penjaminan mutu di bidang penilaian pada sekolah menengah pertama” dan “fasilitasi penyelenggaraan di bidang penilaian pada sekolah menengah pertama”.

Sejalan dengan pelaksanaan tugas dan fungsi tersebut serta beberapa kebijakan dan regulasi terkait lainnya, khususnya kebijakan dan regulasi yang terkait dengan pelaksanaan pendidikan pada masa pandemi Covid-19, kami telah berhasil menyusun sejumlah modul dari sembilan mata pelajaran, yang disesuaikan dengan kebijakan kurikulum kondisi khusus dan pelaksanaan Pembelajaran Jarak Jauh (PJJ) pada masa pandemi Covid-19 untuk jenjang Sekolah Menengah Pertama (SMP). Selain itu, telah dihasilkan pula buku Pedoman Pengelolaan Pembelajaran Jarak Jauh jenjang SMP pada masa pandemi Covid-19. Penyiapan dokumen-dokumen tersebut dilakukan dalam rangka mendukung pelaksanaan kebijakan penjaminan mutu dan pemberian fasilitasi penyelenggaraan pendidikan, khususnya untuk jenjang SMP pada masa pandemi Covid-19 ini.

Besar harapan kami, agar dokumen-dokumen yang telah dihasilkan oleh Direktorat SMP bersama tim penulis yang berasal dari unsur akademisi dan praktisi pendidikan tersebut, dapat dimanfaatkan secara optimal oleh semua pihak terkait, baik dari unsur dinas pendidikan kabupaten/kota, para pendidik, dan tenaga kependidikan, sehingga pada akhirnya dapat menjadi bagian alternatif yang dapat membantu sekolah dalam penyelenggaraan pendidikan.

Kami menyadari bahwa dokumen yang dihasilkan ini masih terdapat banyak kekurangan. Oleh karena itu, kami sangat mengharapkan kritik dan saran dari berbagai pihak, untuk perbaikan dan penyempurnaan lebih lanjut.

Kami menyampaikan ucapan terima kasih dan penghargaan yang setinggi-tingginya atas peran serta aktif dari berbagai pihak dalam penyusunan semua dokumen yang dikeluarkan oleh Direktorat SMP tahun 2020 ini. Secara khusus diucapkan terima kasih dan penghargaan kepada tim penyusun yang telah bekerja keras dalam menuntaskan penyusunan dokumen-dokumen tersebut.

Jakarta, Desember 2020

Dukungan orang tua sangat diharapkan agar Ananda benar-benar memiliki kebiasaan belajar yang mandiri dan bertanggungjawab. Orang tua juga diharapkan menyediakan diri untuk berdiskusi dan terlibat dalam aktivitas belajar jika Ananda membutuhkannya.

Aktivitas-aktivitas belajar Ananda dalam modul ini sedapat mungkin memaksimalkan potensi semua sumber belajar yang ada di lingkungan sekitar Ananda. Amatilah dan manfaatkanlah.

Setiap aktivitas pembelajaran dapat disesuaikan dengan kondisi Ananda, orang tua, guru, sekolah, dan lingkungan sekitar. Bagaimana pun utamakan kesehatan. Jangan melakukan hal-hal yang membahayakan kesehatan diri sendiri, keluarga, guru, sekolah, dan lingkungan Ananda.

### Activity 18

Sometimes you have to use more than one adjective to describe certain people, things or animals. Make sure you use the correct order in describing them. Here is the explanation about the order. Read it carefully to get a better understanding.

*Kadang-kadang Ananda harus menggunakan lebih dari satu kata sifat untuk mendeskripsikan orang, benda atau binatang tertentu. Pastikan bahwa Ananda menggunakan urutan yang benar dalam mendeskripsikannya! Berikut adalah penjelasan tentang urutan tersebut. Bacalah dengan seksama agar Ananda lebih memahaminya!*

- Determiners like articles (a, an, the), possessive (my, your, etc.), demonstratives (this, that, etc.), quantifiers (some, any, few, many, etc.), and numbers (one, two, three, etc.) always appear before anything else.
  
- The general order is **Opinions** before **Facts**. This means that **Opinions** should always come before **Facts** while arranging the adjectives before nouns.
  
- Therefore, the normal order is **Determiner – Opinion – Facts – Nouns**
  
- Fact adjectives can be further broken down and arranged into size, shape, age, color/origin/material/purpose

### My Friend, Kinza

I have a close friend. Her name is Kinza Kaira Abriella, but I often call her Kinza. She is a very beautiful and kind friend.

My friend Kinza has such a tall body for a woman that is about 165 cm. She has light skin with long black hair that breaks down to reach the shoulders. Her nose and dimples in both cheeks make Kinza very charming when smiling.

In addition to having a beautiful face, Kinza is also very nice and friendly to everyone. She cannot see other people sad. If her friend is sad, she will cheer them up until her friend can smile again.

Kinza loves reading books. Sometimes I call her "book enthusiast". She loves all kinds of books, ranging from magazines, encyclopedias, comics, and religious books. She has ever told me that books are the windows of the world.

Because of her beautiful look and heart, Kinza becomes a friend who is loved by her friends, as well as me. I admire her so much.

Boli does not like being quiet. He likes running and jumping. He is very happy if I let him out and play in the yard.

Boli loves vegetables especially carrots. When it's time to eat, he approaches me. Although Boli loves carrots, I always give him additional foods such as multivitamins and minerals.

In spite of being very active, Boli does not like water. When the bath time arrives, I must try my best to bathe him. Sometimes I have to chase him first and put it in a special tub.

	Because of his very adorable body and behavior, I love Boli very much. I hope Boli can always accompany me every day.

You : Good morning everyone. Here, my friend, Yashinta and I, Amara, would like to present the description of our school.

I think everyone knows that our school is one of the best schools in our town. It's no wonder why many children want to study here, in this school. Do you know why? It is because the school always gets the first rank in every competition.

Your friend: Besides the achievements in many competitions, the school has the most complete facilities. The school building area is around 2 hectares, and there are some buildings. When we enter the school, we can see the first local building, the teachers' lounge, administrative offices, and student activities space. After passing the first building of the school building complex, we can find a class building complex. It consists of a classroom room on the north, two classrooms on the south, and three classrooms on the west.

You: Then, when we go to the middle of the class buildings there is a very broad field. The students usually play basketball, football, and even badminton or tennis here, in this field.

As we know that our school has the most complete facilities. There are so many facilities here such as science laboratory, language laboratory, library, green house, multimedia room, hall, parking area, and a fitness room.

Your friend: Although our school has so many buildings, it looks green and shady because there are many plants in all corners, even, in front of each classroom, there is a quite large flower garden.

You: That's all about our presentation of our school, the best school in this town. We should be proud of being the students of this school. Thank you very much for your attention.

My school is one of the best schools in my town. Many students want to be the students of this school because it always gets the first rank in every competition.

Besides the achievements in many competitions, the school also has the most complete facilities. The school building area is around 2 hectares. There are some buildings in it. In the first building, there are the teachers' lounge, administrative offices, and student activity space. The second building is the school building complex. In this complex, there is a classroom on the north, two classrooms on the south, and three classrooms on the west.

In the middle of the class buildings there is a very large field to play basketball, football, badminton or tennis. My school has the most complete facilities. There are so many facilities such as science laboratory, language laboratory, library, green house, multimedia room, hall, parking area, and a fitness room.

Although the school has so many buildings, it looks green and shady because there are many plants in all corners. Even in front of each classroom, there is a quite large flower garden.

Each pouch has its own zipper. The small pouch is a little bit different from the others because it is covered with rubber. I usually keep my flash drive, key, and pen. Let me tell you about my favorite bag. It is a backpack. Do you know I like it? Because it is very simple. It is not only simple but it is also very useful. It has a wide space in it that I can almost bring anything I need with only one bag. I bought it five years ago, and it is still usable until now. Its durability is unquestionable.

I will tell you a secret, if you see my bag from the front side, you will only see two pouches. It is because the big pouch is not accessible from the front side, the zipper is hidden on the back side of the bag and it can only be accessed if I take off the bag from my back, it is very tricky, right? I decorated my bag with fake ants and fake spiders by sticking them on it.

## **Bunda**

Pencipta Lagu: Potret

Penyanyi: Potret

Kubuka album biru, Penuh debu dan usang  
Kupandangi semua gambar diri, Kecil bersih belum ternoda

\* Pikirku pun melayang, Dahulu penuh kasih  
Teringat semua cerita orang, Tentang riwayatku

Kata mereka diriku selalu dimanja,  
Kata mereka diriku selalu ditimang

Nada-nada yang indah, Selalu terurai darinya  
Tangisan nakal dari bibirku, Takkan jadi deritanya  
Tangan halus dan suci, Telah mengangkat tubuh ini  
Jiwa raga dan seluruh hidup, Rela dia berikan

Kata mereka diriku selalu dimanja,  
Kata mereka diriku selalu ditimang  
Oh, bunda ada dan tiada  
Dirimu 'kan selalu ada di dalam hatiku

Mama you taught me to do the right things

So now you have to let your baby fly

You've given me everything that I will need

To make it through this crazy thing called life

And I know you watch me grow up

And only want what's best for me

And I think I found the answer

To your prayers

\*And he is good, so good

He treats your little girl like a real man should

He is good, so good, he makes promises he keeps

No he's never gonna leave

So don't you worry about me

Don't you worry about me

Mama there's no way you'll ever lose me

And giving me away is not goodbye

As you watch me walk down to my future,

I hope tears of joy are in your eyes

Back to \*

And when I watch my baby grow up

I'll only want what's best for her

And I hope she'll find the answer to my prayers

And that she'll say

[Andmesh Kamaleng](#)

Saat ku sendiri, ku lihat foto dan video  
Bersamamu yang telah lama ku simpan  
Hancur hati ini melihat semua gambar diri  
Yang tak bisa, ku ulang kembali

Ku ingin saat ini, engkau ada di sini  
Tertawa bersamaku, seperti dulu lagi  
Walau hanya sebentar, Tuhan tolong kabulkanlah  
Bukannya diri ini tak terima kenyataan  
Hati ini hanya rindu

Segala cara telah kucoba  
Agar aku bisa tanpa dirimu, Ho-oh  
Namun semua, berbeda  
Sulitku menghapus kenangan bersamamu

Ku ingin saat ini, engkau ada di disini  
Tertawa bersamaku, seperti dulu lagi  
Walau hanya sebentar, Tuhan tolong kabulkanlah  
Bukan diri ini tak terima kenyataan  
Hati ini hanya rindu,  
Ho oh  
Hanya rindu  
Ho-oh

Ku ingin saat ini, engkau ada di disini  
Tertawa bersamaku, seperti dulu lagi  
Walau hanya sebentar, Tuhan tolong kabulkanlah  
Bukannya diri ini tak terima kenyataan, ho oh  
Bukannya diri ini tak terima kenyataan  
Hati ini hanya rindu  
Ho-oh  
Hati ini hanya rindu, hmm  
Ku rindu senyummu, Ibu

*Always Love you*

Tori Kelly

I am moody  
Always changing  
I still don't know who I am  
  
But you're right there  
I know you care  
When life gets hard  
I can always run home

Chorus:

And now I realize  
That Nothing I could ever do  
will make you turn away  
No matter how much I mess up  
You will always love me

Chorus:

Because I realize that  
Nothing I could  
Ever do will make you turn away  
No matter how much I mess up  
You will always love me  
  
And there will be a time  
When I'm ready to leave  
Start a family  
I'll love them like you loved me  
  
And when it gets cold  
They'll have me to hold  
And I'll tell them

I'm disrespectful  
Sometimes I can be wild  
But I'll always be your baby  
I'll always be your child  
  
I am growing up now  
Time goes by so quickly for you  
But I'll slow it down  
I'll be around

Chorus:  
Don't you realize there's  
Nothing you could ever do  
to make me turn away from you

I will always love you

Josh Groban

When I am down, and, oh, my soul, so weary  
When troubles come, and my heart burdened be  
Then, I am still and wait here in the silence

1. Discuss and decide who is A and who is B.
2. "A" focuses only on A cards while "B" focuses on B cards.
3. Study the lyrics on the cards carefully so you know their meanings and right pronunciation.
4. "A" takes the first turn by reading aloud A.1 card while "B" listens to him/her carefully to complete B1 card.
5. Then, for the second turn, "B" reads aloud B.2 card while A listens to him/her carefully to complete the A.2 card.
6. Do steps 4 & 5 again for A3-B3 and A4-B4 cards.

Ananda sudah mempelajari bagaimana membaca lirik lagu dengan pelafalan, intonasi, jeda dan ekspresi yang baik. Sangat menyenangkan, bukan?

Sekarang saatnya belatih untuk meningkatkan keterampilan mendengarkan dan membaca Ananda.

Berikut ini lirik lagu yang dituliskan bait per bait pada beberapa kartu yang berbeda. Carilah pasangan untuk melakukan instruksi berikut ini!

1. Bicarakan dengan pasangan, siapa yang akan menjadi A dan B.
2. A hanya fokus pada kartu-kartu A, dan B hanya fokus pada kartu-kartu B.
3. Pelajari lirik pada kartu-kartu tersebut sehingga Ananda dan pasangan tahu betul makna dan bagaimana melafalkan lirik tersebut dengan baik.
4. "A" memulai giliran pertama membacakan lirik pada kartu A1, dan "B" mendengarkan dengan seksama untuk dapat melengkapi lirik pada kartu B.1.
5. Kemudian, untuk giliran kedua, "B" membacakan lirik pada kartu B.2 dan "A" mendengarkan dengan seksama untuk melengkapi lirik pada kartu A.2.
6. Lakukan kembali langkah 4 dan 5 untuk kartu A3-B3 dan A4-B4 sehingga semua lirik pada kartu Ananda dan pasangan selesai dibacakan dan dilengkapi.

### A Mother's Love

By Gena Hill

She gave me life  
Showed me what was right  
Taught me not to fight the battles  
that weren't worth the fight  
  
Right from the start, she held me close  
And as time went on  
She was strong enough to let me go

She filled every need  
Made my life complete  
Time and time again  
She was with me to the end  
She'll believe your dreams  
However hard they seem  
When you'd almost given up  
She was there to lift you up

#### Reff:

There's nothing you can do  
That will change her love for you  
When the world comes crashing down  
Her love will pull you through  
There's nothing you can say  
That will take her love away  
Through the heartache and the pain  
It was her love that still remained  
Her love is gonna shine through  
everything  
  
There's nothing in the world  
Like a mother's love

#### \*Back to Reff

And she would do it all again  
For the chance to help you win  
She was the one who gave it all  
She was the one through every fall

### Color Him Father

By The Winstons

There's a man at my house,  
he's so big and strong  
He goes to work each day,  
stays all day long  
He comes home each night  
looking tired and beat  
He sits down at the dinner table  
and has a bite to eat

Never a frown always a smile  
When he says to me how's my child

My mother loves him  
and I can tell by the way she looks at him  
when he holds my little sister Nell.  
I heard her say just the other day  
That if it hadn't been for him  
she couldn't have found her way

\*Back to Reff  
Our real old man he got killed in the war  
And she knows

I said I've been studying hard all day in  
school  
Tryin' very hard to understand the golden  
rule

she and seven kids couldn't have gotten very  
far

She said she thought

that she could never love again  
And then there he stood with that big wide  
grin  
He married my mother and he took us in  
And now we belong to the man  
with that big wide grin

### **Reff:**

I think I'll color this man father  
I think I'll color him love  
Said I'm gonna color him father  
I think I'll color the man love, yes I will

\*Back to Reff

He says education is the thing  
if you want to compete  
Because without it, Son, life ain't very sweet  
I love this man and I don't know why  
Except I'll need his strength  
till the day that I die
